## **Section 1: Instructions to Offerors**

### **1. Introduction:**

The USAID Building Economic Sustainability through Tourism Project is a USAID program implemented by Chemonics International in Jordan. The goal of the BEST Project is to improve Jordan's economic sustainability through tourism.

BEST project is supporting the Friends of Jordan Festivals Company for the revival of the Citadel Festival 2016. The Amman Citadel Festival takes place on annual basis with the objective of hosting and promoting arts and cultural activities and performances. This year, the festival featured a number of Arab, regional and international performers, amongst which are Yanni and Marcel Khalifeh.

As part of BEST support to Friends of Jordan Festivals Company, BEST Project is soliciting offers for dismantling of the grandstand that is currently erected at the Citadel of Amman. This will include dismantling, sorting, packing, and storing of the 3270 seater grandstand construction at the Royal Palace premises.

Offerors are responsible for ensuring that their offers are received by BEST in accordance with the instructions, terms, and conditions described in this RFQ. Failure to adhere with instructions described in this RFQ may lead to disqualification of an offer from consideration.

2. **Offer Deadline and Protocol:** Offers must be received no later than **3:00PM** local Jordan time on October 4, 2016 by fax (fax no. 06-5200556) or email or by hard copy delivery to the Best Project office. Any emailed offers must be emailed to [procurements@siyaha.org](mailto:procurements@siyaha.org). Any hard copy deliveries must be stamped and signed by the offeror's authorized representative and delivered to BEST Project. Office located at Wadi Saqra, Arrar St, Reem Center no. 244.

Please reference the RFQ number in any response to this RFQ. Offers received after the specified time and date will be considered late and may be considered only at the discretion of BEST.

Questions must be submitted in writing; phone calls will not be accepted. Questions and requests for clarification—and the responses thereto—that BEST believes may be of interest to other offerors will be circulated to all RFQ recipients who have indicated an interest in bidding.

Only the written answers issued by BEST will be considered official and carry weight in the RFQ process and subsequent evaluation. Any verbal information received from employees of BEST or any other entity should not be considered as an official response to any questions regarding this RFQ.

4. **Specifications:** Section 3 contains the technical specifications of the required items. All commodities offered in response to this RFQ must be new and unused.

The delivery estimate presented in an offer in response to this RFQ must be upheld in the performance of any resulting contract.
7. **Source/Nationality/Manufacture:** All goods and services offered in response to this RFQ or supplied under any resulting award must meet **USAID Geographic Code 937** in accordance with the U.S. Code of Federal Regulations (CFR), [22 CFR §228](#) (Annex I). Please note that if there are significant deficiencies regarding responsiveness to the requirements of this RFQ, an offer may be deemed “non-responsive” and thereby disqualified from consideration. Chemonics reserves the right to waive immaterial deficiencies at its discretion.

Best-offer quotations are requested. It is anticipated that award will be made solely on the basis of these original quotations. However, Best reserves the right to conduct any of the following:

- BEST may conduct negotiations with and/or request clarifications from any offeror prior to award.
- While preference will be given to offerors who can address the full technical requirements of this RFQ, BEST may issue a partial award or split the award among various suppliers, if in the best interest of the BEST Project.
- BEST may cancel this RFQ at any time.

Please note that in submitting a response to this RFQ, the offeror understands that USAID is not a party to this solicitation and the offeror agrees that any protest hereunder must be presented—in writing with full explanations—to the BEST Project for consideration, as USAID will not consider protests regarding procurements carried out by implementing partners. Chemonics, at its sole discretion, will make a final decision on the protest for this procurement.

12. **Terms and Conditions**: This is a Request for Quotations only. Issuance of this RFQ does not in any way obligate Chemonics, the BEST Project, or USAID to make an award or pay for costs incurred by potential offerors in the preparation and submission of an offer.

This solicitation is subject to BESTs’ standard terms and conditions. Any resultant award will be governed by these terms and conditions; a copy of the full terms and conditions is available upon request. Please note the following terms and conditions will apply:
